

## Poetic form : Wordku

It is introduced by Awesomax, a Poet of All Poetry

It is like *Haiku* but a bit different.

It follows a 5,7,5 structure but in this form you count the words, not the syllables.

A Wordku poem can be written on any subject the author chooses

It's a single poem with 3 sentences total, each with a beginning and end

*(One can use punctuation to help each sentence standalone, if needed)*

5 Words in the first sentence

7 Words in the second sentence

5 Words in the third sentence

(17 Words total)
